

Remarks

Claims 1-5 and 7 are presented for the Examiner's review and consideration. In this Supplemental Response, claim 8 is canceled. Applicant believes the claim amendments and the accompanying remarks herein serve to clarify the present invention and are independent of patentability. No new matter has been added.

Applicant respectfully requests that this Supplemental Response be considered in conjunction with the Response filed November 4, 2011. Specifically, the arguments presented in the prior Response should be considered with the claim amendments presented herein. Applicant is presenting this Supplemental Response to cancel claim 8, which was added in the prior Response. Upon further consideration, Applicant wishes to cancel claim 8.

In light of the foregoing remarks, this application is now in condition for allowance and early passage of this case to issue is respectfully requested. If any questions remain regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

No fee is believed to be due with this submission. However, please charge any required fee (or credit overpayments) to the Deposit Account of the undersigned, Account No. 500601 (Docket No. 7640-X06-062).

Respectfully submitted,
